

JAGUAR

THE NEW JAGUAR S-TYPE

DISTINCTIVE. DRAMATIC STYLE

ELEGANT, SPACIOUS AND VERSATILE

Navigation is only available in certain countries.

A new Jaguar. Dramatically beautiful, with distinctive, powerful lines; a pedigree that is immediately recognisable. Spirited, elegant and dynamic.

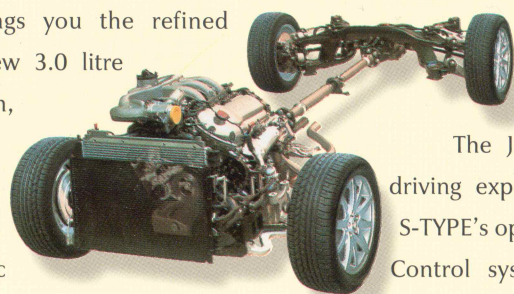

Exhilarating to drive, with Jaguar's unique outstanding balance of taut, agile handling and smooth ride. Delivering a performance feel like no other.

The S-TYPE brings you the refined power of Jaguar's all-new 3.0 litre AJ-V6 engine, available with a smooth, precise 5-speed manual transmission or optional automatic transmission. The 4.0 litre AJ-V8 is equipped with a standard 5-speed electronic automatic transmission giving seamless gear changes. Both engines have outstanding emissions control and meet the most stringent environmental standards.

Precision engineering delivers the highest levels of quality. The all-new production facility uses sophisticated plasma welding techniques; laser cameras check critical dimensions throughout the assembly process, for the utmost precision and quality. Driving the Jaguar S-TYPE is an intuitive, involving

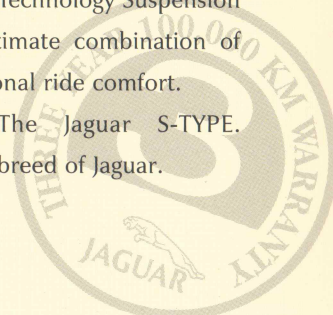

experience; an intimate dialogue between driver and car. The interior is elegant, spacious and versatile. The rear seats fold down to increase the roomy luggage compartment. Automatic air-conditioning is standard, with side to side temperature control for additional comfort. A state-of-the-art in-car communications system is optionally available to keep you in touch with the outside world.

The Jaguar S-TYPE gives you a rewarding driving experience that is pure excitement. The S-TYPE's optional Dynamic Stability Control system helps to prevent oversteer, working with the standard 4-channel ABS. Electronic traction control ensures the car keeps a firm grip on the road. Additionally, Jaguar's Computer Active Technology Suspension (available as an option) gives the ultimate combination of superb handling precision and exceptional ride comfort.

The Jaguar S-TYPE.
A new breed of Jaguar.
